

ONLINE ENTRY INSTRUCTIONS

STEP 1:

A: Click *“login/logoff.”* On the left hand side of your screen

B: *“Choose a Type.”* Choose **“Club”**

C: Club Login: Choose your FFA Chapter or County 4-H Club

D: Password: The passwords are preset by the Youth Expo.

FFA Chapters: the password will be OKAE followed by a zero and your chapter number. **Example** (OKAE0###).

County 4-H Clubs: the password will be OKCE followed by the county code. **Example** (OKCE###).

STEP 2:

“Account Information”

A: Choose “Begin Adding Exhibitors and Their Entries”

B: Type the exhibitors first and last name.

IMPORTANT the student’s name must be typed exactly the way it is listed on the OYE web site, under the nomination page.

ALL EXHIBITORS THAT **NOMINATED** A STEER, BARROW, GILT, MARKET LAMB, WETHER GOAT, OR DOE. **MUST CHOOSE “This Exhibitor has already been registered”**

ALL EXHIBITORS **ONLY** SHOWING BREEDING HEIFERS OR PUREBRED BREEDING EWES (not commercial ewes). **MUST CHOOSE “This is a new exhibitor”**

C: Type the exhibitor’s password.

ALREADY REGISTERED EXHIBITORS: The password will be the same as the club/chapter password. (Example: OKAE0###)

NEW EXHIBITORS: You must create the password for these exhibitors. We suggest using the same password as the nominated exhibitors.

REMINDER the exhibitors showing **ONLY** breeding heifers or purebred breeding ewes will be considered a “new exhibitor.”

D: The Exhibitor’s Information Page will appear.

If all information is correct click continue. You may also edit the exhibitor’s information if need be. All “new” exhibitors please fill in the required information.

STEP 3:

“Entries”

A: Choose a Department.

B: Choose a Division

(Please check our website www.okyouthexpo.com for a list of nominated animals. You may only enter that animal exactly the way we have it listed on our nominations page.)

If you receive an error message it is more than likely you are trying to enter in a different breed than is posted on our website.

C: Choose a Validation Number. This is the OYE tag number.

D: Click Continue.

Exhibitors showing more than one animal continue by choosing a department and repeating the process.

Exhibitors with only one entry click continue.

Once you have entered all animals for that exhibitor click continue until you reach the check out process.

STEP 4:

“Check Out”

At this point you have several options.

A: If you are done with all exhibitors click check out and proceed with the on screen instructions.

B: If you need to add more entries click the appropriate tab. Either add entries for a different exhibitor or add more entries for the previous exhibitor.

C: You may also save this cart for later. We recommend that you use this feature as often as possible. This allows you to leave the entry process and return at your own pace without losing any of your data.

EXHIBITOR'S PASSWORD:

The exhibitor's password is the same as the club or chapter password.
